

PRE-ENGINEERED BUILDING CONSTRUCTION APPLICATIONS

OUR INNOVATIONS

Here are some of our patented innovations to reduce work time, increase productivity, workmanship and deliver quality results.

METAPP®
Steel Application

TIMTAPP®
Timber application

SCRATCHSHIELD®
For Crest Fixing Fastener

POLYTAPP®
Skylight Application

DUOTAPP®
Steel & Timber Application

Countries of Export

Bangladesh Bulgaria Brunei Ghana Hungary India Indonesia Kenya Kuwait
Myanmar Malaysia Qatar Romania Peru Saudi Arabia South Africa Sri Lanka
Tanzania Thailand Uganda United Arab Emirates United Kingdom Vietnam

- MANUFACTURING PLANTS IN TAIWAN & VIETNAM
- OFFICES, DISTRIBUTORS & RETAILERS
- IN MORE THAN 20 COUNTRIES AROUND THE WORLD

INDIA'S LARGEST SOLE DISTRIBUTOR

Asons Enterprise – Chennai, is the leading and sole importer & distributor of Corroshield Fasteners, PAN India.

From the time of inception in 1999 and till today, it has always been our fervent aspiration and endeavor to help the developing Indian market with superior products and after sales support. In the past 18 years, we have earned an overwhelming response from the knowledgeable Indian market, for the quality and service we provide at their doorstep, through our strong distribution network, which we proudly call the “Corroshield Diaspora”.

Such is the recognition of Corroshield Fasteners, it is recommended and used by reputed Pre Engineered Builders, Roll Formers, Fabricators and various other miscellaneous end users. We at Asons, along with our principals Engineering Edge – Singapore, are very committed to the reliability and durability of our fasteners. Hence we deliver the best to our valuable clients, without any doubts of compromise. This assures us to retain a leading position in the Indian market.

Our key to success is Quality, Consistency with Cost Effectiveness and Express Delivery followed by After Sales Commitment. This gives us an edge over others and brings us this feat of ISO 9001-2008 certification.

DEALERS NETWORK ACROSS INDIA

CORROSHIELD® Fasteners is recommended and used by reputed Pre-Engineering Builders, Roll Formers, Fabricators and various other miscellaneous end users.

ASONS's Dealers network are spread across whole india which covers Andhra Pradesh, Delhi, Gujarat, Goa, Karnataka, Kerela, Maharashtra, Madhya Pradesh, Pondicherry, Punjab Rajasthan, Telangana, Tamilnadu, Uttar Pradesh, Uttarakhand & West Bengal.
